HISTORY OF THE CLUB

Why the name Complete football solutions run Rebels football academy?

Everyday you need to fight with your instincts to become a better version of yourself, waking up before the sun rises, eating healthy consistently, pushing yourself harder when no one is looking, recovering from those hard injuries and believing that you can be faster and stronger, staying away from your families, travelling hundreds of miles, withstanding different weather conditions and at the end taking a beating from the opponent and getting back up at all of it again. Every step of the way we rebel against normalcy. We rebel for the right reason. We rebel to become better. We are Complete football solutions run Rebels football academy

Football is a game where it "HAS" to end in a result, Football comprises of 22 players playing on the pitch, 12 waiting on the bench to come on, 2 coaches who have used all their life's experience to push the team for the win, 20 training staff, years of practice and hundreds, thousands and millions of fans and more. All this just to see on which brings in happiness to everyone involved.

When so many factors are at play, fairy tales take a backseat. Its all about determination, hard work and perseverance. Every win and loss teaches us a lesson to live by, the losses even more. Phoenix is a symbol of rebirth and regeneration. In the beautiful game of football we need to rise everyday to become better from our former selves. We are the only ones who can lift ourselves and wearing this badge will always be the symbol of hope to always rise from the ashes and thrive.

DISCIPLINE/DEMERIT SYSTEM

The discipline demerit system of RFC FOOTBALL ACADEMY is based on the idea that students are to focus on three different areas that make up the life of a student. The system is set-

up to reward students for completing the expected tasks in each area of life. If a student does not complete an expected task the student is issued "demerits" by the Student Services staff. The more demerits a student receives during the week the fewer privileges he/she will
